

GUERRILLATEL® SET-UP, INSTALLATION & USER INSTRUCTIONS FOR iPhone®

STEP 1.

Register for an account at <http://guerrillatel.com/signup.php>

Once you receive the confirmation e-mail, click on the link to confirm. If you did not receive the confirmation e-mail, please check your spam filter.

STEP 2.

Go to the <http://guerrillatel.com/> home page and log in as a GuerrillaTel member anytime to manage your account and reload your credits.

STEP 3.

Then, visit this URL on your iPhone:

<http://iPhone.guerrillatel.mobi>

Log in and use our specially designed iPhone page. Bookmark it and check "keep me logged in" for easy access.

STEP 4.

Add GuerrillaTel icon to home screen for easy access.

Tap **+** symbol at bottom of screen.

Select "Add to Home Screen"

You will see the GuerrillaTel icon

Type "GuerrillaTel" in the text field and press "Add".

USING OUR MOBILE iPhone SITE

Simply click on the icon you added to your home screen in **STEP 4** or surf to your bookmarked web page located at <http://iPhone.guerrillatel.mobi> and dial a phone number (using 1+ or 011+ before the number) then press "Call" on your touch screen.

Or, you can slide down and press the "Contacts" to choose any contact that you have entered in your account in the members' section at <http://guerrillatel.com/>.
