

**GUERRILLATEL® SET-UP, INSTALLATION & USER INSTRUCTIONS FOR TOUCH  
SCREEN SMARTPHONES**

**symbian**

®

**STEP 1.**

Register for an account at <http://guerrillatel.com/signup.php>

Once you receive the confirmation e-mail, click on the link to confirm. If you did not receive the confirmation e-mail, please check your spam filter.

**STEP 2.**

Go to the <http://guerrillatel.com/> home page and log in as a GuerrillaTel member anytime to manage your account and reload your credits.

**STEP 3.**

Then, visit this URL on your touch screen smartphone:

<http://touch.guerrillatel.mobi>

Log in and use our specially designed touch screen page. Bookmark it and check "keep me logged in" for easy access.

**USING OUR MOBILE TOUCH SCREEN SITE**

Simply go to the website that you bookmarked in **STEP 3** and dial a phone number (using 1+ or 011+ before the number).

Then, press "Call" on your touch screen.

Or, you can press the "Contacts" to choose any contact that you have entered in your account in the members' section at <http://guerrillatel.com/>.
